岩城*iwaki*

洞穴*douketsu*

洞穴*horaana*

Water trickling

down a shaft.

This bat needs

PROTECTION!!

Smell of earth,

labyrinth.

I am

LOST.

Metallic sounds deep down

of tackle.

Going up last longer

than going down.

Sunny rays on a pint of

Sparkling beer,

glittering speleothems,

in my mind.

Natural cave

Imperfect perfection

Slowly I am understanding

thy darkness

Silvia Goutier
